### >> Advantages

- ✓ To guarantee the best quality, the production line is fully integrated.
- ✓ We control and produce in a single factory the design and fabrication of the products: weaving coated thread into straps, stamping metal pieces and chemical treating, harness assembly, individual control and real-time testing thanks to the different laboratory devices and tools etc...
- ✓ **ISO 9001** manufacturing which guarantees product reliability and rigorous monitoring of the production process.

### >> Conformity

This product has been tested according to the following European standard:

- **EN 795: 2012**. Personal protective equipment against falls from a height. Anchor devices.

It complies with European **Regulation (EU) 2016/425** on Personal Protective Equipment (PPE).

#### Category III.
