>> Advantages

- ✓ Latex quality with a very low protein level.
- ✓ Excellent touch thanks to the fineness of latex combined with good elasticity.
- → Ambidextrous. Maintenance free (single use).
- → Rolled edge to prevent the flow of liquid on the arm or wrist.
- Convenient and protective dispenser box.
- ✓ For your safety all these products comply with stringent quality criteria and are manufactured according to the ISO 9001 and ISO 13485 manufacturing standards.

This product contains latex. The persons sensitive to this material should not use it.
