>> Advantages

- ✓ Automatic buckles: extremely easy to use with single hand adjustment.
- ✓ Made from top grade corrosion resistant steel, these buckles provide a comfortable and snug fit.
- ✓ Elastic loops: specially designed to retain the excess strap while adjustment.
- ✓ Triangle ring for lanyards keepers: specially designed keepers on both sides for safely attaching the free connector end of twin legged lanyards TWINPRO. (be careful these lanyards keepers must not be used as an attachment point for the fall protection system).
- ✓ Work positioning belt: with knitted mesh pads and specially bent lateral D-rings for extra comfort while working.
- ✓ The belt is provided with a bigger handle at the back for attaching extra karabiners or accessories.
- ✓ High straps: the distinctively placed fully padded straps with automatic buckles for easy adjustment.
- ✓ The knitted mesh net used in the pads gives better shock absorption and maintains proper air circulation.
- ✓ Combination buckles at waist: with a unique pull-up grip, these buckles are very easy to use, can be tightened/loosened.
